Why read aloud?

Just 5 minutes of reading aloud a day can make a big difference.

It's this easy:

1. Take a reading pass home with you.
2. Read 4 stories or books and give yourself one stamp in your reading pass for each completed reading session.
3. Exchange your completed reading pass for a free book!

Our goal:
Together, we want to reach all children in the Schöpfwerk neighborhood with books and stories before they start school. And so we can strengthen their joy in reading from the very beginning.
